Capability Statement

COMPANY OVERVIEW

Established in 1964, Measurement Control Systems (MCS) is a California-based business supplying meters, process instrumentation and service to Industrial, Government and Utility customers throughout the Western US. MCS has the unique ability to offer on-site engineering for meter specification, two warehouse locations to stock and deliver products and a professionally trained service staff that can install, calibrate and certify all our products in the field or at the MCS service shop.

COMPANY DESIGNATIONS

DUNS	050092949
CAGE	69463
CCR/ORCA	Small Business
NAICS	334514, 334513, 334512, 334519, 238220, 423830
FSC	6680, 6630, 6685, 6695
SIC	3824, 3823, 3822, 3829, 1711
GSA Contract	Schedule 66/SIN 66- 616; pending
CA General Contractor License #	702526

KEY PRODUCTS

- **Gas & Liquid Flow Meters** - Diaphragm, Rotary, Turbine, Ultrasonic, Magnetic, Variable Area, Vortex
- **Industrial Flow Meters** - Mechanical, Mass Process Control, Batching/Blending, Oval Gear
- **AMR/AMI** - Meters and Meter Reading Systems
- **Controls & Instrumentation** - Pressure and Level Gauges, Transmitters, Pumps, Thermometers
- **Calibration Instruments** - Pressure and Temperature
- **Industrial Solar/Remote Power** - Photovoltaic Modules

COMPANY EXPERTISE

- Product Specification and Selection of Industrial Meters, Process Instrumentation, Utility Meters & AMR/AMI Systems
- Specialized Metering Application Design & Implementation
- Process Monitoring System Design & Implementation
- Submetering Solution Design and Implementation: Gas, Water & Electric
- Meter Testing, Repair & Certification Traceable to NIST standards

COMPANY CONTACTS

Ben Darracq, Business Development Manager – (714)746-1442, bdarracq@mcsmeters.com

Rob Binder, Territory Manager, San Diego/Orange – (949)584-6565, rbinder@mcsmeters.com

Partial listing of our industrial customers:

Aerospace/Defense/Energy

Boeing
Goodrich Corporation
Northrop Grumman

Military

Miramar Marine Corps Air Station
US Marine Corps Base (USMC)
NAVFAC, Navy Public Works
Navy Aviation Depot

Manufacturing

Dow Chemical
Hewlett Packard
Kimberly Clark
Procter & Gamble

Pharmacy

Arena Pharmaceuticals
Novartis
Talecris Biotherapeutics

Contractors

Energy & Power Solutions, Inc.
Industrial Piping Systems
Johnson Controls
Siemens Industry, Inc.

Energy

California Solar Thermal
General Atomics
LA Department of Water & Power
Solar Turbines
Southern California Edison

Food & Beverage

Bimbo Bakeries USA
California Dairies, Inc.
Nestle Purina
Pepsi Cola

Colleges & Universities

University of California, San Diego
University of California, Berkeley
University of California, Los Angeles
University of California, San Francisco

Oil/Refining/ Mining

BP West Coast Products, LLC
Chevron USA
Conoco Phillips Company
Exxon Mobil
Freeport McMoran Copper & Gold
Shell Oil Company

Boiler Contractors

Central Boiler & Industrial Service
Rite Engineering & Manufacturing
Southern California Gas Company
Southern California Boiler, Inc.

Mobile Home Contractors

Amtec Service Company
Meterman Services
Pacific States Utility Company
Western Utilities Group

Other

Disneyland
Space Exploration Technologies, Corp.
